From the Director's Desk

Greetings from the Director's desk,

Just want to update everyone on our funding situation. As you know the tax bills finally came out at year's end and we began receiving tax dollars in December. We thank you all for your patience if we did not have a book or other item you were looking for. We have resumed purchasing materials. All of us at the library are hoping that Springfield can manage to get their business done in a timely fashion this year and things will run smoothly in 2008.

Please let us know if there is something we can do for you. Lansing Public Library wants to be your destination when you are looking for information, recreation and cultural events. We want to be a gathering place for friends and families. We hope everyone has a healthy and prosperous New Year.

Sincerely,
Debbie Albrecht
